

PAUL WOODHEAD & STUART CRABTREE

CHASE ISSUES

NO. 13

NEWS FROM CLLR PAUL WOODHEAD, STUART CRABTREE AND THE CANNOCK CHASE GREEN PARTY
DELIVERED BY VOLUNTEERS

Cllr Paul Woodhead

Stuart Crabtree

- ✓ Paul has a track record of action locally, in which Stuart has played key role
- ✓ Both live in our local area
- ✓ Active all year-round

OR

- ✗ Likely to be another candidate who will disappear once elected
- ✗ Won't be active year-round

It's either Paul and Stuart or more playground politics in our area

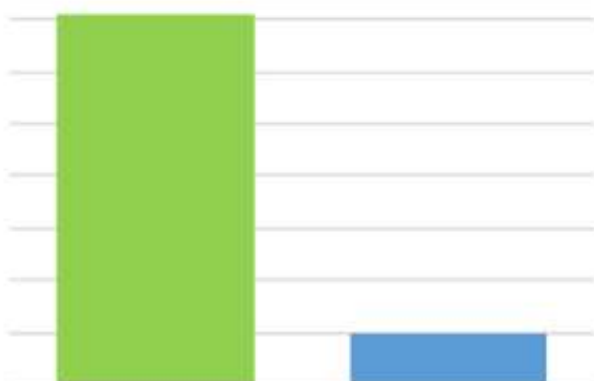

WHY YOUR VOTE MATTERS

7 times as many people didn't vote, as voted for the winner

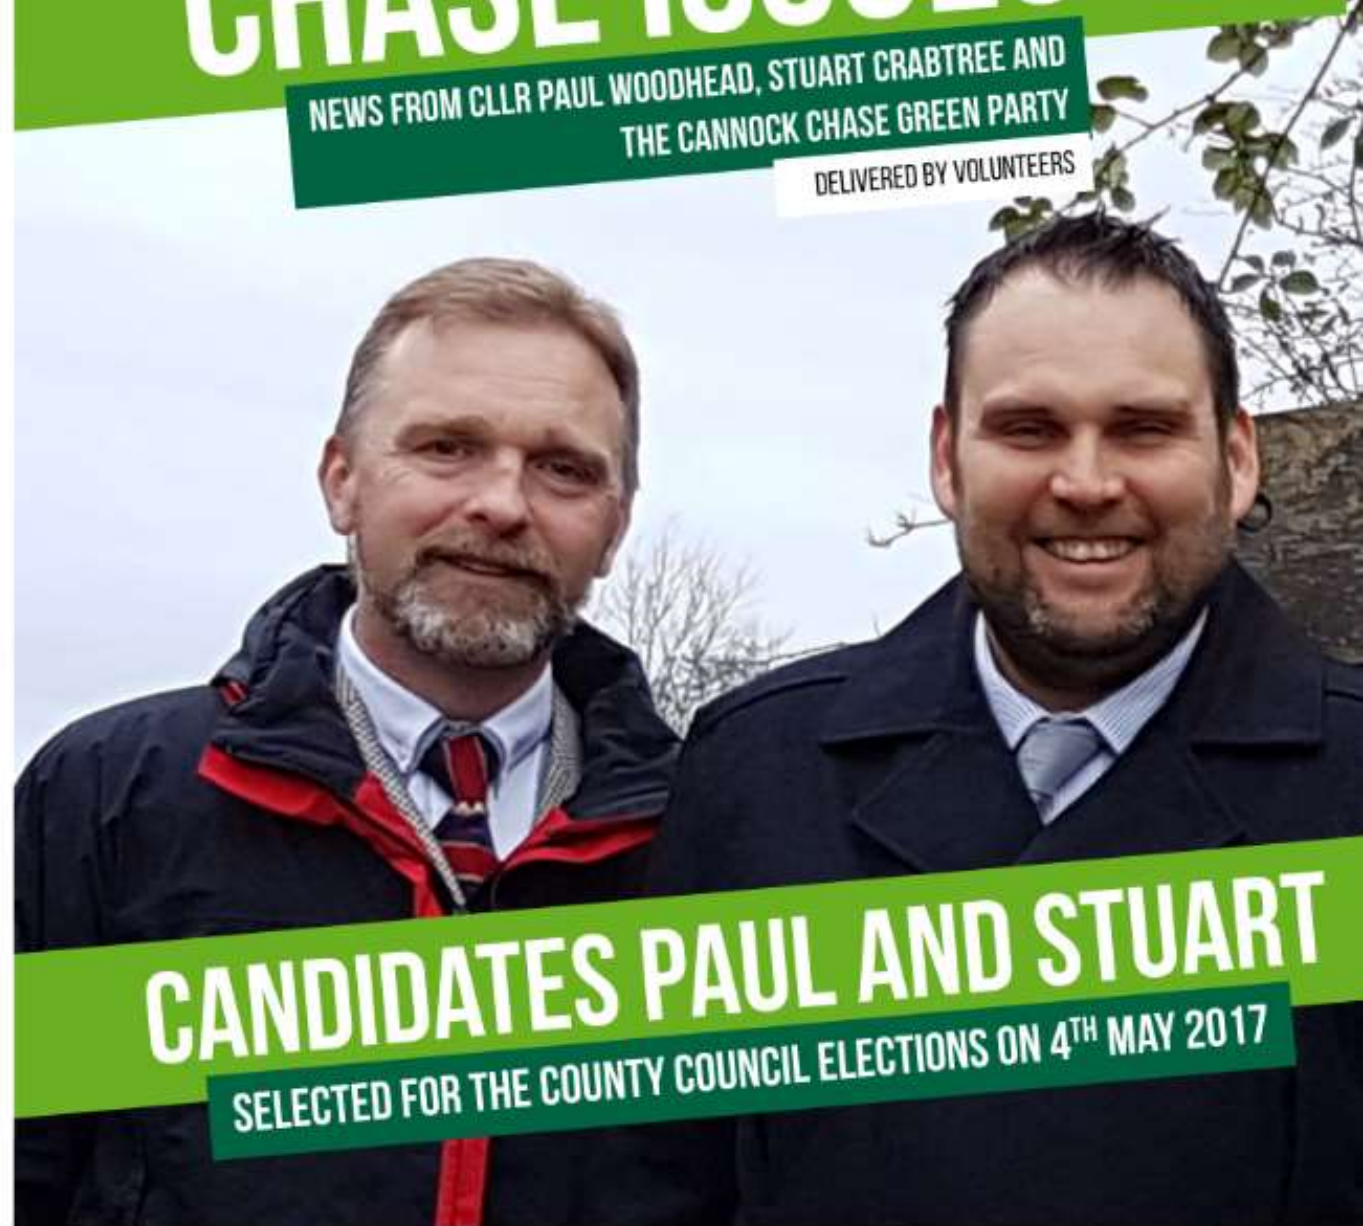

Local elections are where your vote counts most. If 1 in 7 people who didn't vote last time, voted Green, we would win comfortably. National politics isn't what matters locally. Who will get the job done does matter. Paul & Stuart will do that.

Go to www.gov.uk/register-to-vote to make sure you can have your say.

... FOR ACTION IN OUR COMMUNITY

PAUL AND STUART: WORKING HARD ALL YEAR ROUND

PICKING UP LITTER, AND A COMMUNITY

New community group to care for Anglesey Nature Reserve

A new community group is being established by residents and users of **Anglesey Nature Reserve** in Hednesford following a successful litter pick and park tidy event before Christmas.

Organisers are asking for local residents who can spare a couple of hours a month to keep the park tidy, complete small tasks and activities to improve the various walks, the brook and the woodland. This will be undertaken in conjunction with Cannock Chase District Council who will ensure the ecology and conservation of the area is completed against an agreed management plan. The park clear is the last Sunday of every month and volunteers meet in Stafford Lane entrance at 10am. **To get involved, come along, OR contact Paul or Stuart on the details below.**

ADOPTING A WOODLAND

Residents look to make most of community asset at Sevens Wood

Following on from the successful campaign to prevent the sale of the Countryside Estate, the next stage of the review was launched late in 2016 to invite interested parties to come forward with options and ideas to support the community management of areas across the County. One area was Sevens Road Wood.

Stuart says: "We need to protect our local heritage. I'm proud to support the community in protecting the woodland".

FAYRE'S FAIR IN HEDNESFORD

Lots of love for Valentine's market

The Valentine's Market came to Market Street on 12th February, following on from the Christmas light switch on event in December. Both events have been a great success, bringing lots of people into the town centre.

Stuart says: "It's great to see the town so vibrant and that the good work Paul has done is being appreciated. Hopefully the next event on the 29th April will be just as popular."

Dates for the future events are on the poster opposite. We'd love to see you down there.

WHAT HAVE PAUL & STUART EVER DONE FOR ME?

Quite a lot actually and we'd like you to take a look for yourself

We recently launched an **interactive map** on our Chase Issues website, with links to videos of some of the work we've been doing across the area. Each mark on the map is a link to a video on our YouTube channel. It allows you to look at what we've been doing in your neighbourhood in more detail.

Paul says: "We really want everyone to be able to see the hard work we're doing. Newsletters are great, but there's never enough space to let people know **what we've been doing on their street**. The video-map is a really good way for people to be able to see exactly what the issues are and what we're doing to address them".

You can **take a look for yourself** by going to our website, at "chaseissues.co.uk/video-map". Any suggestions of how the map can be improved, or what we can do in your area are welcomed.

HAVE YOUR SAY, OR LOSE IT FOREVER

Where will the 5,500 planned homes be built? Greenbelt?

Paul and Stuart want you to have your say on the plans

Part 2 of the Cannock Chase Draft Local Plan is underway. It set out where sites for 19,770 houses could be built in the area over the coming years. It's important you have your say, as many of the sites will be using greenbelt around our area.

Paul says: "It's important that homes are built for the people that need them. What worries me is that we will be giving up lots of our green space for the benefit of private developers. That's why I ask everyone to respond to the plans"
