# CHASE ISSUES

NO. 14

NEWS FROM CLLR PAUL WOODHEAD, STUART CRABTREE AND  
THE CANNOCK CHASE GREEN PARTY

Delivered by volunteers

**THANK YOU FOR THE INSPIRATION, WE CARRY ON...**  
Just short in three way election battle

Thank you to everyone who has supported us, voted for us and inspired us across the whole year.

We are greatly encouraged by the backing for our community engagement activities. This result gives us all something to build upon for an active community.

Actions speak louder than words, we carry on with more of the same and hope to meet many more of our neighbours in the weeks and months ahead.

Stuart Crabtree

Cllr Paul Woodhead

**VOTE FOR PAUL ON 8<sup>TH</sup> JUNE**  
Community Champion as  
MP Candidate

Paul is quickly gaining a reputation within the community as one of the most effective and hardworking people in the area, if not the country. He has been standing up for the community, leading by example and getting involved with schools, libraries, the football club and community action groups. He's brought the market back to Market Street in Hednesford and established community speedwatch in the town. He also runs his own business, so he understands balancing the books. He knows how the old politics hasn't been working and has been leading by example in the council chamber, showing that where Greens get elected they make a difference.

## RAIN, RAIN GO AWAY, COME BACK ON ANOTHER DAY

Green Party Deputy Leader **Amelia Womack** met with Paul, Stuart, local activists and residents to hear about the positive contribution to the community including the flooding solution sorted out for residents on Littleworth Road

**Amelia** commented: "It's great to see the impressive work and how relieved Steve and Dawn are. They are even waiting for the next downpour so they can see their new drains in action."

**Flood solution in place after 5 year wait**

Inspecting the flood defences we secured

"I am proud to have been selected by members of the community to stand as a candidate in the general election. I will be a strong voice in standing up for our community. We want to build a community that looks after everyone, not just the wealthy."
