## YEAR ROUND HARD WORK PAYS DIVIDENDS

### Pothole Repairs Week-in, Week-out

Beyond our successful campaign for pothole repairs to Hill Top traffic island we see continued repairs on Berry Hill and reported many more across our community including Park Gate Road. Drop us a line to report road damage

### Globe Pub, Sign of the Times

Further to the sustained pressure to make the site of the former Globe public house safe and the demolition finished, we have agreed with the owners for us to keep the sign and hope to have it placed on the traffic island or in the museum.

### New... Old Park Road

From our year round resident engagement we were asked to work on getting a street sign replaced that was damaged and removed some time ago. We are delighted that the council has now replaced these damaged road signs in Rawnsley.

### From Listening to Action

From helping with a longstanding flooding issue to advocating in planning matters and from rogue traders to personal injury incidents. We are happy to listen and help where we can, advise and signpost in the right direction.

### Keep Hednesford Tidy

We now have two regular litter picks organised each month and looking for more people to get involved. Anglesey Nature Reserve is the last Sunday of each month and in the town organised by the Heart of Hednesford Group, dates available through Facebook

### Speedy Gone-Communitywide

Following the success of Community Speedwatch in highlighting safety on our roads we are seeking more volunteers to help expand the scheme to other streets including Pye Green Road and Stagborough Way.
